STARTING YOUR TRIP

Plan to arrive 15 minutes before your tour. Our office is located in Study Butte, one-half mile west of Hwy 118 on FM 170. Please call us if you are running late. Other guests who have arrived will be more understanding.

NOTES

- Some of the tours are not recommended for pregnant women or persons with back or neck injuries.
- Minimum age is 4 with parent supervision.
- Ice water is provided on all tours; glass containers are not allowed.

WHAT DO I WEAR ON THE TRIP?

Wear comfortable outdoor clothing and good walking shoes. All of our tours involve leaving the jeep for very short walks. A hat or cap, sunglasses, sunscreen and a windbreaker or jacket are also important. A water bottle is a good idea. We bring a dispenser with plenty of ice water to refill it. And don't forget your camera and binoculars!

This is our most frequently asked question, so we'll tell you what the experts say:

- Spring (March – April) Day: 75-90, Night: 45-60
- Summer (May – September) Day: 85-100+, Night: 70-80

WHAT ABOUT THE GUIDES?

Our guides are outdoor enthusiasts who will enrich your experience with knowledge of the Big Bend they have picked up in several fields: botany, geology, history, etc. They welcome your interest in learning more about the plant and animal life of the desert.

SHOULD I TIP THE GUIDE?

Many guests ask us whether tipping the guides is appropriate. If you believe the guides have exceeded your service expectations, please feel free to leave a tip (10-15% of the trip price is normal). Tipping is by no means required.
